

The ADVICE Method: Planning for the Future

Values - Session 2

Facilitator Guide

Preparing for the Workshop:

The purpose of the second session will be to continue the conversation that connects values to job satisfaction. The workshop will entail students completing a chart that shows the correlation between proposed careers and how careers match up to the core values students deem important.

The workshop will conclude with a student assignment.

- I. Understanding how my values correlate with my career
- II. Written paragraph evaluating connection between values and career
